

PROGRAMS AND PAYMENT INFORMATION

ELIGIBILITY

Summer Safari is open to children in rising K-5th grade and Extreme Safari is open to children in rising 6-9th grade.

GENERAL

Summer and Extreme Safari participants will be divided into age groups as they rotate through daily planned activities. Areas include sports, outdoor games, arts and crafts, nature programs, indoor activities and themed activities.

To allow for safe, enjoyable participation, groups will be assembled by age/grade at the discretion of the camp directors. We are unable to honor requests for a specific group or to be with another camper as children may not be in the same group each week.

INSTRUCTIONAL PROGRAMS

Special programs and activities may be scheduled throughout the summer. If there will be a special offering outside of regular schedule, information will be shared through sign boards, calendar updates and email.

SWIMMING AND WATER PARKS

Water-based field trips will be offered several weeks during the summer and include local pools, splash pads, and water parks. Older groups will go to the pool and younger groups will visit the splash pad. If your child cannot apply his/her sunscreen, please apply it at home prior to arriving at camp. Campers must wear swimsuits. Shorts and shirts are not allowed at water parks. One piece swimsuits only for Extreme Campers.

FIELD TRIPS

Please note the special activities and field trips are subject to change without notice. Please discuss with your child the importance of good behavior for their safety and the safety of others. Behavioral issues may result in a loss of field trip

privileges. If your child is not able to attend a field trip (i.e. missed departure time, scheduled doctors appointment during field trip) you must find alternative care. We do not have additional staff scheduled and we will not place your child in another group that is on-site.

WEEKLY FEES

The weekly fee for summer camp is \$142/child. There are no part-time, hourly or reduced rates. Please deduct the \$25 deposit for each reserved week your child attends.

MAKING YOUR PAYMENT

Payment is due the Monday prior to each week your child participates in camp. (E.G. Payment for the week of June 3rd is due Monday, May 27th). Your child will not be permitted to stay without full payment. Checks and money orders should be made payable to ICRC and include your child's name. If payment is not made by the due date, you will forfeit your child's spot for that week. Deposits are non-refundable.

ICRC does NOT issue refunds (full or partial) during summer camp. Payments may NOT be transferred to Afternoon Safari accounts or to later weeks of Summer or Extreme Safari.

RECEIPTS

Year end tax statements and receipts can be printed online at www.icrc.net. ICRC's Federal Tax ID# is: 57-0520972.

RETURNED CHECKS

If your check is returned by the bank for insufficient funds, it will be submitted to the Lexington County Solicitor's Office for collections. All fines and penalties are the responsibility of the check writer. ICRC's fee for a returned check is \$35. Camp services will be suspended until ICRC receives payment from the Solicitor's Office. After one returned check (per household), payment must be made in the form of credit card, cash or money order.

SUMMER SAFARI 2024

We are excited that your child will be joining us at either Summer or Extreme Safari and looking forward to an adventure-filled summer exploring the world. Whether your child is a returning camper or new to the Safari program, we are happy to welcome you and eager to meet our newest campers! Since we will be spending the summer together, we wanted to tell you a little bit about our summer day camp programs.

OUR PROGRAM

Summer and Extreme Safari are recreation based camps with a philosophy of PLAY. Through play we can empower children and encourage emotional and physical development. We want to engage your child in fun and educational programs that will foster a positive sense of self.

WEEKLY FIELD TRIPS

Each week of camp will offer a different theme with outdoor adventures, physicals activities, art and fun. Please note that field trips are subject to change and dependent on weather.

OUR STAFF

Our camp counselors are local adults, K-12 teachers, and high school and college students who are all ready for a fun-filled summer season! Many of our summer staff work in our Afternoon Safari program and have experience in child care. Our counselors also go through an application process that includes interviews, reference checks and background checks to ensure the safest experience for everyone.

In addition, counselors go through training before summer begins covering topics that empower them to create a physically safe and emotionally nurturing environment. There is First Aid and CPR certified staff with the campers, but more importantly staff is trained to prevent accidents through active supervision of camp activities. Groups are connected to each other by two-way radios and/or cell phones.

It is Irmo Chapin Recreation Commission's goal to maintain an overall camper to staff ratio of 13:1 for Summer Safari and 15:1 for Extreme Safari. Campers are put into groups based on their age/grade and are engaged in age appropriate games, crafts, and activities.

PARENTS

Your child is our customer this summer and the safety of our campers is our #1 priority. Please don't be offended if we ask for your pick up password or to see your identification when you pick up your child. As far as we're concerned we can't be too careful!

Parent support is the key to a successful program, so we ask for your help in remaining positive about camp activities and camp

in general. If you ever have a concern, please contact us so that we can take care of it immediately. We are only as good as the information we are given, so please communicate with us and let us know what's going on! We will always be available to talk with you regarding your child's camp experience. Contact us using the following information.

SAFARI Programs

Behavior Expectations and Discipline Policy

The ICRC Safari staff makes every effort to help children understand clear definitions of acceptable and unacceptable behavior. It is important that staff maintain order and control in all programs. Top objectives in all ICRC programs are safety and a positive atmosphere for learning and developing skills.

A child's behavior is expected to be consistent with the following: use appropriate language at all times; cooperate with staff and follow directions; respect other children and staff, equipment, facilities and self; maintain a positive attitude and stay in program areas. If the child's behavior continues to be disruptive and/or unsafe, the child will be subject to suspension or dismissal from the program.

The Safari programs do not condone and do not permit: ridiculing, threatening and using an inappropriate loud voice, corporal punishment, leaving children unsupervised or use of profanity. Our staff will address any behavior/discipline problems to the best of his or her ability within the Safari guidelines. Parents are not permitted to approach other participants in an effort to resolve these matters.

The Discipline Policy:

- 1) Discipline procedures include verbal warning, "time-out", loss of privileges, a phone call to parents, parent conferences and discipline forms.
- 2) Discipline forms are completed for repetitive or serious discipline problems. Parents are required to sign the discipline form to acknowledge that they have been made aware of the problem.
- 3) If a participant receives three discipline forms, he or she will be suspended for two days.
- 4) A fourth discipline form will result in a one week suspension.
- 5) A participant receiving a fifth discipline form may result in expulsion from the Safari programs for a full calendar year from date of expulsion.
- 6) ICRC reserves the right to remove a participant from the Safari programs at any time.

Behaviors which may result in immediate dismissal include, but are not limited to:

- 1) Any action that could threaten or pose a direct threat to the physical/emotional safety of the child, other children or staff.
- 2) Fighting
- 3) Possession of a weapon of any kind.
- 4) Vandalism or destruction of park/school property, or property of others.
- 5) Sexual misconduct
- 6) Possession of or use of alcohol or controlled substances unless under the prescription of a physician.
- 7) Running away
- 8) Biting or other physical harm. Physical contact in disciplining children is avoided, however, may be used to restrain participants from harming themselves or others.

I have read, understand and agree with the policies as stated in this document and discussed the expectations of behavior with my child.
