Youth Athletic Sponsorship

About ICRC Youth Athletics

During the past year, more than 4,800 youth in the Irmo Chapin community participated in ICRC Athletic Programs. Our goal is to provide a high quality team sports program that promotes positive values through youth athletics. We are proud to offer athletic programs where children can learn new skills; improve existing skills; understand the value of teamwork and good sportsmanship; foster healthy competition and most of all, have fun.

Why we need your support

While tax dollars supplement facility development and maintenance, the cost of operations must be supported by sponsorships and user fees. Community sponsors allow every child the opportunity to experience the thrill of teamwork, encouragement, and the self-confidence that comes with learning about and participating in sports.

How you can help

The Irmo Chapin Recreation Commission is requesting your financial support through team sponsorship of our Youth Athletic Program. Your support will allow us to provide high quality athletic programs to youth in our community while maintaining reasonable registration fees.

Benefits of Sponsorship

Your business will be prominently associated with a positive youth athletic program — a source of pride in the Irmo Chapin community. There are thousands of players, fans, and families that are involved with our youth sports each season. As a youth athletic sponsor your company gains visibility in the community.
