64914001 Survivor: Engineer's Cove/Rescue Robots Mon.–Fri.,  
Jul. 24–28, 9:00 A.M.–4:00 P.M.

### Survivor: Engineer's Cove

Campers will find themselves stranded on an abandoned island filled with perilous obstacles— cold temperatures, dark caves, wild animals, and little food. They will work corroboratively with their tribe members and compete against other tribes in engineering-related projects in an attempt to survive the harsh conditions and escape the island.

**Ages 9–13 \$170 Seven Oaks Park**  
64914300 Mon.–Fri., Jul. 24–28, 9:00 A.M.–12:00 NOON

### Game Design: Pong in Space - Engineering for Kids of The Midlands

Using the engineering design process, Campers will create a storyboard to identify the rules of play and characters for Pong in Space. They will use Clickteam Fusion 2.5® to bring the storyboard to life with programming. Campers will take home a working Windows-compatible game (Clickteam Fusion 2.5® does not support Mac or Android operating systems).

**Ages 9–13 \$160 Seven Oaks Park**  
64914700 Mon.–Fri., Jul. 17–21, 9:00 A.M.–12:00 NOON

### Aerospace Engineering - Engineering for Kids of The Midlands

Students use the engineering design process to design, create, test, and refine a variety of flying machines. They will construct a shock-absorbing system designed to protect marshmallow astronauts in a lunar vehicle, and create their own air-powered rockets. Students will also assemble a hot air balloon model.

**Ages 9–13 \$170 Seven Oaks Park**  
64914600 Mon.–Fri., Jun. 19–23, 9:00 A.M.–12:00 NOON

### EdVenture Camp

Campers will dive into science, technology, engineering, and mathematics throughout the week, learning about aeronautics, soldering, electricity, magnetism and engineering practices. Expect a lot of collaboration, inventiveness, and creativity! All campers will receive a pass to the EdVenture Children's Museum.
