5.1 *For Cause:* In the event of material breach by contractor, ICRC shall be given written notice specifying the material breach. The County would regard any deviation from the requirements of the contract that was neither trivial nor innocent as being material. Such deviations are evaluated on an instance-by-instance basis but any deviation which impairs the utilization or value of the property to ICRC would be regarded by the Commission as a material breach. Upon receipt of such notice, if contractor has not begun correction of the material breach within two (2) days or has not substantially corrected the material breach within ten (10) days of receipt of written notice, ICRC shall have the right to terminate unilaterally and immediately services hereunder without further notice.
